

AGROsolution GmbH & CO KG

Prinz-Eugen-Straße 23, 4020 Linz

Confirmation

The above mentioned operator has been in possession of a valid inspection contract with Austria Bio Garantie since 2010-06-21. The last inspection was conducted on 2013-05-15.

Austria Bio Garantie confirms that the inputs for organic production listed below meet the requirements of Regulation (EC) No 834/2007 and Implementing Rules. Conformity with this Regulation has been verified during the inspection.

This confirmation has no relevance whatsoever regarding the quality of the products; it only confirms the compliance with the requirements given by the above mentioned regulation.

If a reference is given on accompanying documents and/or the product itself the wording must be as follows: "may be used in organic production in accordance with Regulations (EC) No 834/2007 and (EC) No 889/2008".

Potential official registration in the country where the products are to be sold is not covered by this confirmation. It is the distributing company's obligation to carry out the respective legal steps for the official registration.

The following product being produced and/or put on the market by the above mentioned company may be used in organic production:

Agrosol

Precondition for validity of this confirmation during the indicated period:

- a) The products meet the above mentioned requirements.
- b) Valid inspection contract

This confirmation relates exclusively to the products listed above.
This confirmation is valid until 2014-12-31.
